

# Katrina/City Tour during CRMA Annual Conference

## "America's Greatest Catastrophe"

On Monday, June 1, CRMA members will have the opportunity to witness the devastation caused by Hurricane Katrina. On this shortened version of the award-winning tour, you can get an eyewitness account of events surrounding the worst natural (or man-made) disaster on American soil.

### Tour Details

- Tour will be from noon-1:30 pm on Monday, June 1
- Bus loads promptly at noon in front of the Marriott and will return to the hotel at 1:30 pm, in time for afternoon sessions
- Box lunch with beverage is included
- Bus tour will feature major landmarks of the Katrina disaster
- Purchase tickets from the CRMA Registration desk (last ticket sales at 11 am on June 1)
- Cost is \$45 each
- There is a limited number of tickets, which will be sold first come, first served.

Learn the history of the original city, the French Quarter, and why it was built at this particular location along the Mississippi River. We'll drive past an actual levee that "breached" and see the resulting devastation that displaced hundreds of thousands of US residents. The tour will travel through local neighborhoods that were devastated by Katrina, including the much-publicized lower ninth ward where Brad Pitt's Make it Right Foundation is rebuilding homes and where Harry Connick, Jr. has established Musician Village for local New Orleans musicians. Your tour guide will give a "local's" chronology of events leading up to Hurricane Katrina and the days immediately following the disaster.
